the EFFECTIVE BOARD

Written by Neville Bain and Roger Barker

You are invited to a launch event for this vital publication, the IoD's guide to best boardroom practice.

Our event will be hosted and chaired by the book's lead author and the IoD's Chairman, Dr Neville Bain. He will be joined by Roger Barker of the IoD, Professor Aidan Halligan, the first Director of Clinical Governance for the NHS and Nicholas Brookes, Chairman of De La Rue, at what promises to be an informative event.
